

## Scorton C of E Primary School Sports Premium Provision 2016-17

The government provides additional funding for schools to improve the provision of physical education and sport in primary schools. At Scorton we are striving to provide a wide range of quality opportunities and equipment for sport and PE. We have therefore looked to enhance this provision in accordance with our vision for PE and School Sport.

The allocation of the funding is calculated according to the intake of the school. Our indicative Primary PE and Sport Funding for 2016-17 was approximately £8000
